

EXTERNAL FUNDING OPPORTUNITIES				
Program	Amount	Description	Deadline	More Information
CERIS	\$5,000 or \$12,000	<p>CERIS – The Ontario Metropolis Centre is now requesting research proposals. The 2008 Call for Research Proposals will focus on policy relevant research questions associated with the six CERIS Research Domains:</p> <ol style="list-style-type: none"> <li>1) Citizenship and Social, Cultural and Civic Integration</li> <li>2) Economic and Labour Market Integration</li> <li>3) Family, Children and Youth</li> <li>4) Justice, Policing, and Security</li> <li>5) Welcoming Communities: Building Capacity in Regions, Cities, and Neighbourhoods</li> <li>6) Health and Well-being</li> </ol> <p>CERIS is interested in funding three types of research projects: <b>1)</b> synthesis of research findings from the literature; <b>2)</b> original research (qualitative and/or quantitative); and <b>3)</b> secondary data analysis.</p>	<b>January 18, 2008</b>	Visit the online <a href="#">RFP</a>
Department of Health and Human Services	Up to \$275,000	<p>This Funding Opportunity Announcement (FOA) issued by the National Institute on Deafness and Other Communication Disorders (NIDCD) encourages research applications from institutions and organizations addressing research needs on the young child (infants and children) with mild to severe hearing loss. Development, refinement, or modification of measurement tools for young children with hearing loss is also encouraged.</p>	February 16, 2008	Visit the <a href="#">website</a> of the Department of Health and Human Services
SSHRC Research Development Initiative	Up to \$40,000	To support analysis of changing directions in research and in the evolution of academic disciplines	April 9, 2008	Visit the SSHRC <a href="#">RDI Website</a>
Government of Ontario International Strategic Opportunities Program	\$150,000 (up to 50% of eligible costs)	<p>The International Strategic Opportunities Program (ISOP) provides funding for strategic international collaborations between Ontario research institutions and the global research community. The goal of the program is to improve Ontario's long-term economic potential by attracting and retaining the best and brightest research talent. Priority will be given to collaborations with researchers in the United States, the United Kingdom, Germany, France, Japan, China and India.</p>	Continuous deadline	Visit the <a href="#">ISOP Website</a>

INTERNAL FUNDING OPPORTUNITIES				
Program	Amount	Description	Deadline	More Information
Walter Gordon Research Fellowship	Full salary and benefits	To recognize merit in research or creative work by providing an individual scholar with opportunities to complete works or projects requiring a period of intensive effort, free of teaching and other university responsibilities.	<b>January 15, 2008</b>	Visit the York University <a href="#">Research Website</a>
SSHRC Grant in Aid of Travel	Up to a minimum APEX or Charter Class airfare	To provide assistance to full-time social science and humanities faculty members and professional librarians to attend International Learned Conferences Abroad (i.e., outside Canada, U.S. and U.S. possessions) for which the applicant is giving a paper, or making a substantial presentation.	February 1, 2008	Visit the York University <a href="#">Research Website</a>
Mariano A. Elia Research Fund	Less than \$8,000	To support small-scale research projects where a significant contribution to Italian-Canadian studies will be made and the prestige of the university enhanced. Eligible expenses include research costs and travel to conferences. <b>Value:</b> Not specifically stated. "Limited resources do not allow support for major projects."	March 1, 2008	Visit the York University <a href="#">Research Website</a>
York Incentive Grant	App. \$5,000	To provide support to defray costs that are essential to the preparation of a successful grant applications, such as those associated with assembling collaboration teams. It is intended to assist in the quest for large-scale initiatives involving external funding of at least \$75,000. These grants are not awarded to support the preparation of applications for the usual programs of research support (e.g., CIHR, NSERC, and SSHRC).	March 1, 2008	Visit the York University <a href="#">Research Website</a>

York University researchers are reminded that all applications for external research funding, including Letters of Intent, must be reviewed and approved by the Office of Research Services before they are submitted to the granting agency. For internal approval, the application must be accompanied by a completed ORS Application Checklist, which requires the Chair's and Dean's signatures. To ensure that the approved application is ready by the agency deadline, a complete application folder must be submitted to the ORS ten (10) working days prior to final submission date.
